PRINCIPAL'S REPORT

Supported School Transport

The Australian Government has released a discussion paper about 'Supported School Transport and the National Disability Insurance Scheme' on their website <https://engage.dss.gov.au>.

As the National Disability Insurance Scheme (NDIS) is rolled out across Australia, this paper asks for your feedback on how supported school transport could work under the NDIS.

This is your opportunity to have your say via a submission on how you would like to see supported school transport operate in our State. The consultation period will end on 20 July at 5:00pm.

There will be some face-to-face consultations held throughout the state, full details will be updated on their website when they are available.

For any further information about the discussion paper or submission you can email transport@dss.gov.au.

John Fleming Visit

This Friday, we have John Fleming visiting our school to continue working with our staff and students on Explicit Instruction (EI). John is bringing two expert teachers with him who will demonstrate Warm Ups in our classrooms and work with our teachers to support growth and understanding in EI pedagogy. We really look forward to working with John and his teachers in order to provide the very best learning experiences for our students.

There will be no assembly for Years 3 to 6 on Friday afternoon.

School Council and P&C

The MPS School Council has played an important role in our school over a number of years. The council has been responsible for reviewing school policies and supporting with school evaluation.

Our AGM is tonight and we are calling for interested parents / community members to consider nominating as a representative on this team. Nominations will be received at our meeting, 6pm in the library.

Following the School Council meeting, our P&C meeting will be held at 6.30pm.

Have a safe, happy and not too wet week everyone,

Mrs Van Egmond ☺

Thank you to the parents who have been replying to the SMS Absence Notifications. **It is imperative that if you reply to these messages when you receive them and if you have more than one child away that you reply to each child's** SMS Notification individually as this is an automated service. Your explanation automatically attaches to your child's absence. For further information please contact the office.

Nutrition Snippet

The simplest way

...to love your freezer.

To help beat the morning school rush, spend a couple of hours on the weekend doing a big cook up of freezer friendly lunches and snacks that can be ready on hand to add to the kid's lunch boxes.

Home-made baked goods such as muffins, scones, pikelets, bliss balls, pizza, frittata and mini quiches can be made in advance, then wrapped individually and frozen.

Items such as sandwich bread, milk poppers, yoghurt tubs and smoothies can be frozen. They will be thawed and ready to eat at lunch time and keep other lunch box items cold.

Many vegies in season can be cut up and frozen to save time with food prep later on (i.e. spinach, zucchini and pumpkin).

Visit healthylunchbox.com.au for more freezer-friendly recipes.

Nutrition Snippet

The simplest way

...to make sandwiches more exciting!

Making small changes to lunches can make a big difference to the overall nutritional value and make them more exciting for your kids to eat. Here are our top tips:

Try different breads – wholemeal, wholegrain, rye, soy and linseed, sourdough, rolls, pita, Lebanese or Turkish.

Try a variety of different fillings – vegetarian, lean meat or fish. Combine the following tasty sandwich fillings and spreads:

- Salad.
- Vegetables – lightly grilled or roasted.
- Lean meat e.g. roast beef, lean skinless chicken breast or turkey.
- Fish - tinned tuna, salmon or sardines (in springwater or brine).
- Tabouli.
- Egg.
- Tasty cheese.
- Banana.
- Healthy spreads e.g. avocado, hummus, mayonnaise, cottage or cream cheese, mustard, chutney, pesto or salsa.

Visit healthylunchbox.com.au for recipes & information you can trust.
